TRIMBLE DIGITAL CONSTRUCTION SUMMIT

The Bridge to BIM 2019

INVITATION TO EXHIBIT

Trimble invites you to our Trimble Digital Construction Summit – the European BIM event of the year. During the conference we will be addressing all facets of BIM and digitalization and bridging the gap between building and civil engineering and construction. We offer our exhibitors a strong presence in a professional arena, where you connect with users of engineering and construction software, as well as public and private agencies, partners and other industry stakeholders – at all professional and managerial levels.

- ▶ 35+ lectures
- ▶ 4 parallel sessions
- ▶ Over 500 BIM managers, infrastructure and building project managers and designers
- ▶ The largest European Trimble Conference

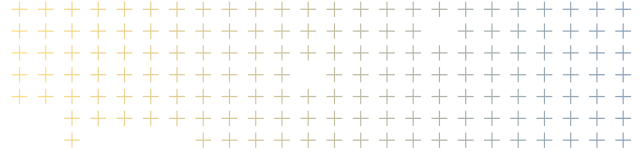

Results from the attendee evaluation questionnaire distributed after the last conference in 2017

100% of attendees found the Networking opportunities to be good or excellent

92% of attendees found the Conference program to be good or excellent

91% of attendees would recommend their colleagues to attend this conference

CLOSE CONTACT WITH THE ATTENDEES

As an exhibitor at the Trimble Digital Construction Summit you play a central role in the professional environment with the industry-tailored focus, greatly appreciated by our participant. You will have a noticeable presence in the exhibitors` area and connect with the conference guests in all breaks as the exhibition is located close to all presentation rooms. You will also be the central focus of the Exhibitors` Hour.

Our exhibitors are an integral part of the conference program, and we hope you will also take part in the social parts of the event.

WE PROMOTE YOUR BRAND

Your logo is shown on all communication material for the event:

- ▶ Invitations
- ▶ Newsletters
- ▶ Conference website
- ▶ Conference app
- ▶ Program and more..

Invitations are sent to users of Trimble`s Civil and Buildings software primarily across Europe as well as to industry professionals at the managerial level.

AT THE CENTER OF EXHIBITORS` HOUR

On Monday afternoon all conference participants gather in the exhibition area for Exhibitor`s Hour. During Exhibitors` Hour each exhibitor has the opportunity to present their organization.

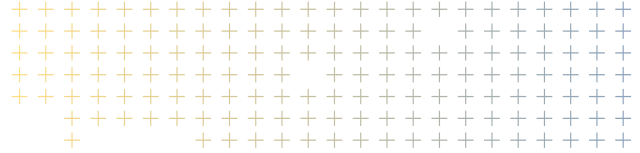

EXHIBITORS` COMPETITION

At the end of Exhibitors` Hour we announce the winner of the Exhibitor`s Competition.

The competition goes as follows: the conference participants are given a set of questions about the exhibitors and in order to get the questions correct they need to visit your stands. The participant with most correct answers wins a prize.

For the competition we need you to provide us with your question (multiple choice format) upon registration.
